MooreCo reserves the right to correct pricing and/or copy errors. Due to the current volatility in the price of raw and finished materials, please refer to our web site for the latest price list for pricing. Since individual items are subject to availability of materials from our suppliers, we reserve the right to limit quantities. All shipping weights are nominal and may vary depending on items and quantities ordered. When ordering please contact MooreCo customer service at 1-800-749-2258 for accurate shipping rates and lead times.

Board dimensions reflect panel sizes prior to framing. All boards listed as 3'H × 4'W actually measure 33-¾"H × 48"W due to shipping restrictions. Dimensions on all glass dry erase boards are estimated and may vary slightly.

Fabrics and finishes shown in images are chosen for illustration purposes only, and do not necessarily represent accurate scale, color, or best purpose of use. Please consult with our professional design team before selecting fabrics and finishes for your space.

Return Policy: A return authorization is required for the return of any merchandise. All requests for returns should be made within 90 (ninety) days of receipt of merchandise. The dealer may be responsible for restock and return freight charges. Returned products must be unused, undamaged, and in the original packaging. Please contact customer service for more details. Returned merchandise may be subject to a restocking fee.

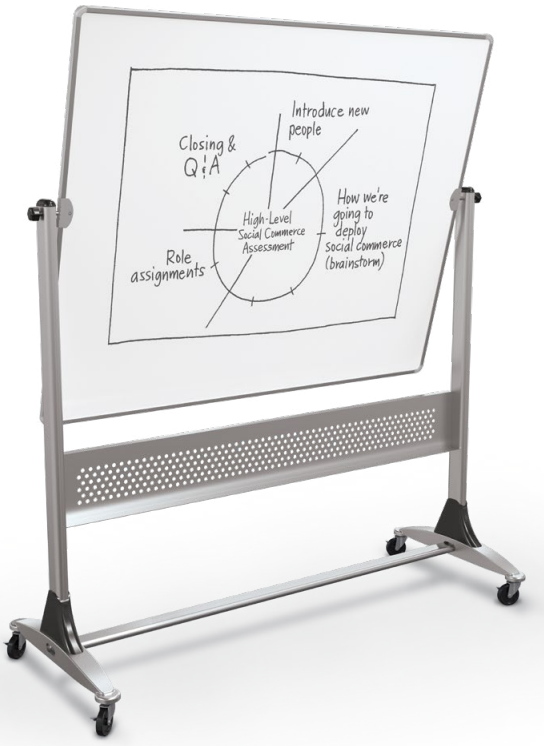

Non-Returnable Merchandise: All boards and furniture which have been custom sized, custom framed, or customized to specifications will be considered a non-returnable item.

See More. Share More.

Explore thoughtfully designed visual communication solutions that make collaboration effortless and every idea easier to share.

Great ideas deserve a place to grow. Visual communication transforms everyday spaces into environments where people can brainstorm, learn, present, and collaborate with confidence. Designed to keep information visible and conversations flowing, these solutions help teams stay organized, engaged, and connected.

From education and healthcare to commercial and hospitality settings, our visual communication collections adapt to the way people work today. Whether creating a collaborative classroom, an innovative workplace, or an inviting gathering space, flexible configurations and design-forward finishes complement every environment while supporting meaningful interaction.

Built for performance and designed for versatility, our portfolio includes porcelain steel and glass writing surfaces, mobile easels, combination boards, full-wall systems, room dividers, resurfacing products, and accessories that work together seamlessly. Durable materials, timeless aesthetics, and adaptable solutions ensure every space is ready for whatever comes next.

Bring every idea into view with visual communication solutions designed to inspire, collaborate, and create.

How MooreCo Supports the Six Facets of Thrive in Visual Communication Design:

Physical: "I Can Move & Share"

Visual communication solutions designed for flexibility make it easy to share ideas wherever collaboration happens. Mobile easels, reversible boards, room dividers, and adaptable wall systems move with changing needs, creating environments that support a variety of users, activities, and spaces. Whether brainstorming, presenting, or planning, these solutions help information stay accessible and visible throughout the day.

Intellectual: "I Can Think & Engage"

Thoughtfully designed visual communication environments encourage creativity, critical thinking, and active participation. Writing surfaces, display boards, and collaborative wall systems provide space to brainstorm, solve problems, organize ideas, and bring concepts to life. Whether used for instruction, meetings, innovation, or independent thinking, these tools help people stay engaged, focused, and inspired.

Social-Emotional: "I Belong & Connect"

Shared visual spaces encourage meaningful interaction and open communication. From collaborative brainstorming sessions to classroom instruction and team planning, visual communication solutions help people exchange ideas, contribute confidently, and stay connected. Creating information-rich environments where every voice can be seen and heard fosters stronger collaboration and a greater sense of belonging.

Psychological: "I Feel Confident & Informed"

Clear communication creates confidence. Organized, accessible visual environments reduce uncertainty, simplify information sharing, and help people stay informed and engaged. Durable writing surfaces, intuitive layouts, and adaptable solutions support productive routines while creating spaces where people feel prepared, empowered, and confident to participate.

Moral: "I Feel Included & Respected"

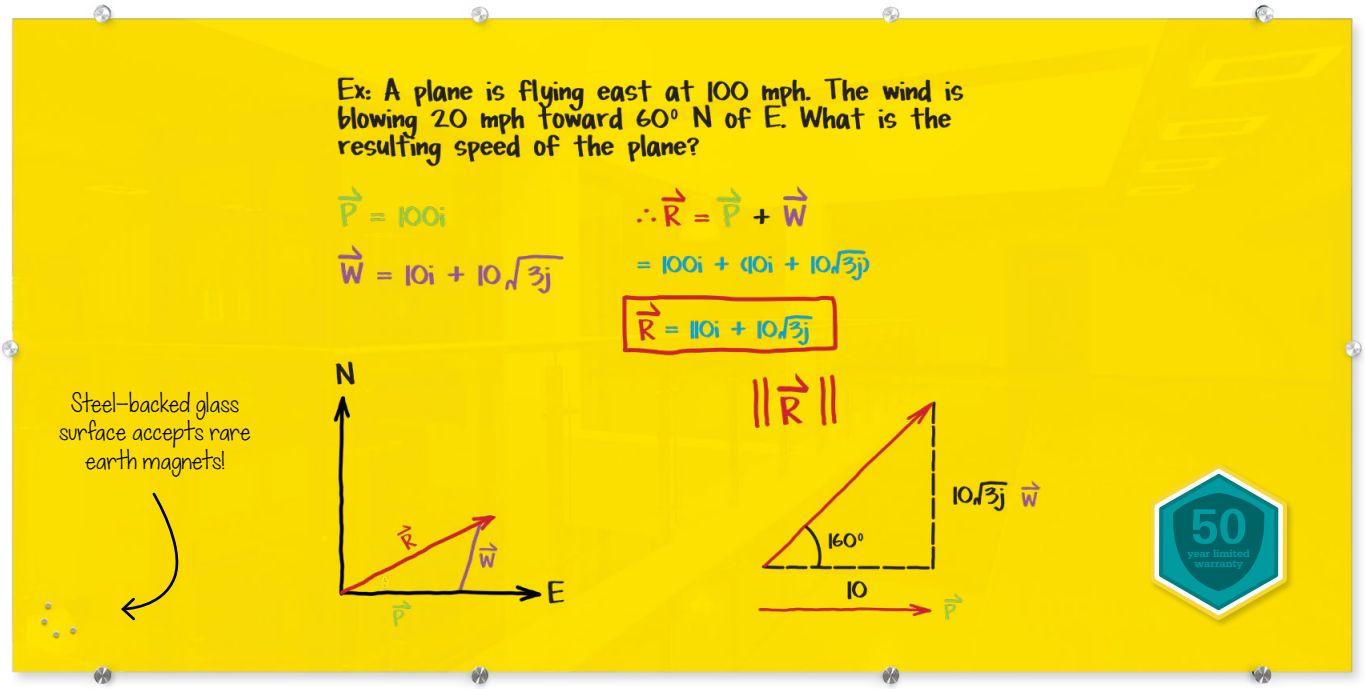

Inclusive visual communication ensures information is accessible to everyone. Flexible solutions accommodate different learning styles, communication preferences, and collaborative needs, creating environments where every individual has the opportunity to contribute. Thoughtful planning and adaptable products help foster equity, engagement, and respect across classrooms, workplaces, healthcare settings, and beyond.

Spiritual: "I Can Create & Inspire"

Thoughtfully integrated visual communication helps bring clarity and purpose to every environment. Clean design, organized information, and inspiring display spaces reduce visual clutter while encouraging reflection, creativity, and thoughtful decision-making. Whether capturing ideas, celebrating achievements, or sharing inspiration, these solutions help create environments that feel focused, balanced, and motivating.

MARKERBOARDS: Glass Boards

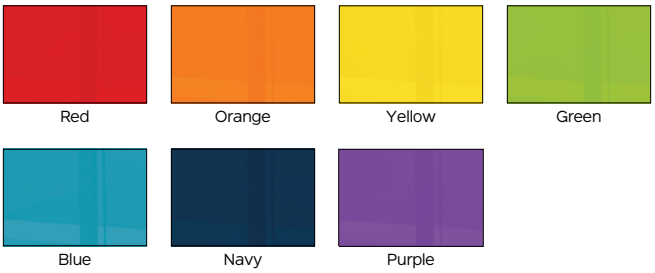

Colors other than white and low iron white are available while supplies last. Please call for details.

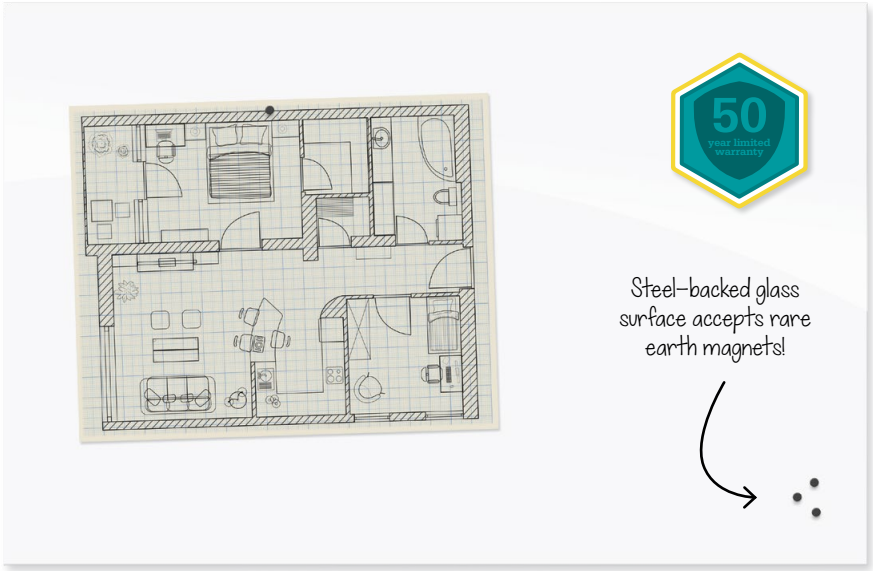

Visionary® Hierarchy Magnetic Glass Board

- Reflect on your true colors. Ultra modern glass boards now available in multiple colors to accentuate any space.
- Borderless and seamless, the board is available in fresh modern colors to match your environment and our line of Hierarchy furniture.
- Tempered safety glass ideal for use in any environment. Compatible with any dry erase or wet erase marker, grease pen, etc. Easily cleans without ghosting or staining. Accepts rare earth magnets.
- Attractive stainless steel mounting standoffs. Mounts are standard with a silver finish.
- Includes aluminum accessory tray and set of magnets. Glass accessory tray available separately.
- Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Glass color options:

MARKERBOARDS: Porcelain Steel Boards

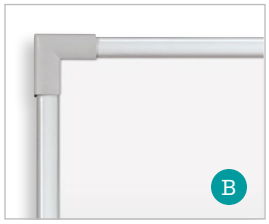

Porcelain Steel Whiteboard

- Tried and true porcelain steel provides exceptional writability, erasability, and versatility.
- Magnetic porcelain steel whiteboards are engineered for superior color contrast with dry erase markers. Standard gloss dry erase surface provides superior writability and erasability with no ghosting.
- Reduced surface light distortion enhances visibility to provide optimum eye comfort. Steel is permanently laminated to a lightweight substrate for stability and durability.
- Available in multiple size and frame options to fit any environment and any need. Call for custom options.
- Limited lifetime warranty. SCS Indoor Advantage Gold Certified.

MARKERBOARDS: Combination Boards

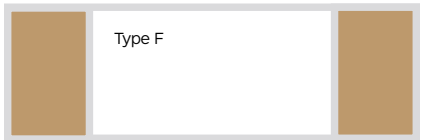

Combination & Combo-Rite Boards

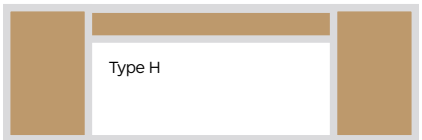

- Combine porcelain steel markerboard and tackboard into one durable and versatile unit. Ideal for any classroom environment.
- All-in-one Combination Boards feature anodized aluminum trim with full-length tackable map rail and full-length accessory tray with Dura-Safe® rubber end caps.
- Or opt for the modular Combo-Rite Board. The surfaces can be changed or replaced when worn or damaged, saving time and money. Anodized aluminum trim features easy to use H-channels to attach panels together, also enabling easy disassembly for panel replacement.
- Available in a variety of sizes and panel configurations to fit your needs.
- Limited lifetime warranty on porcelain steel. Ten year limited warranty on tackboard. SCS Indoor Advantage Gold Certified.

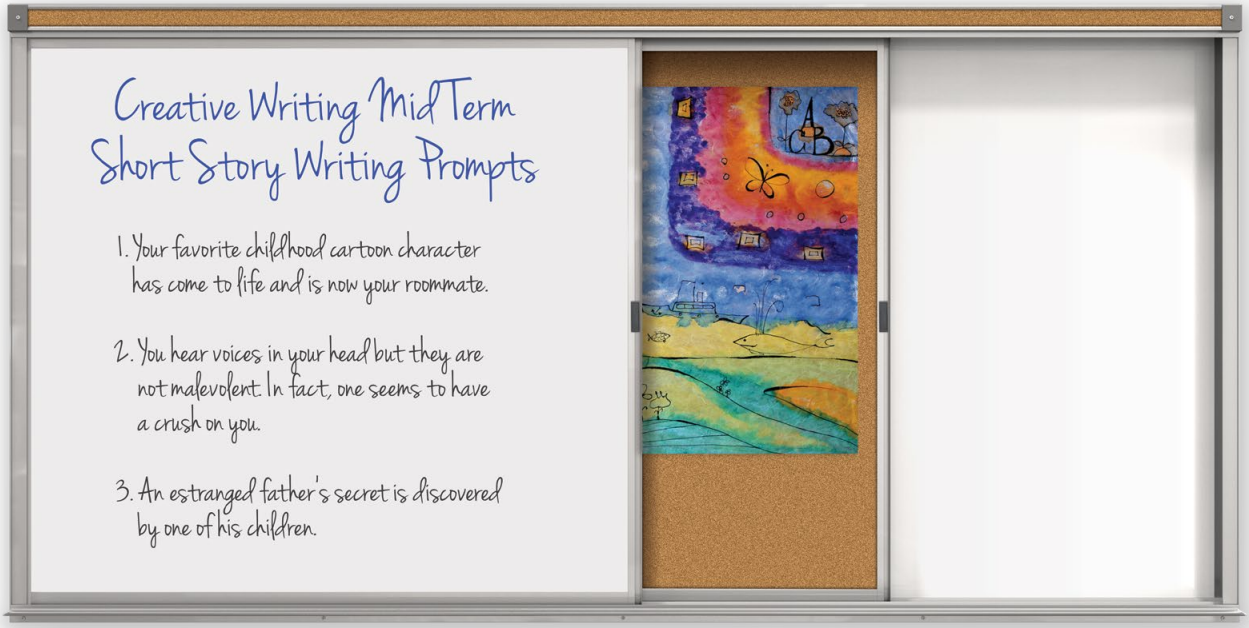

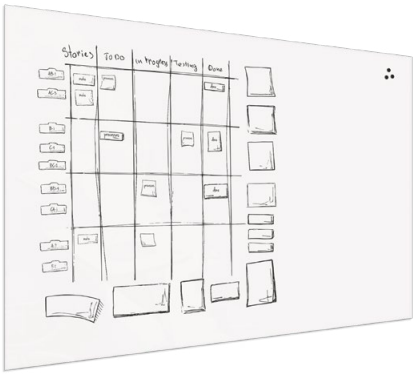

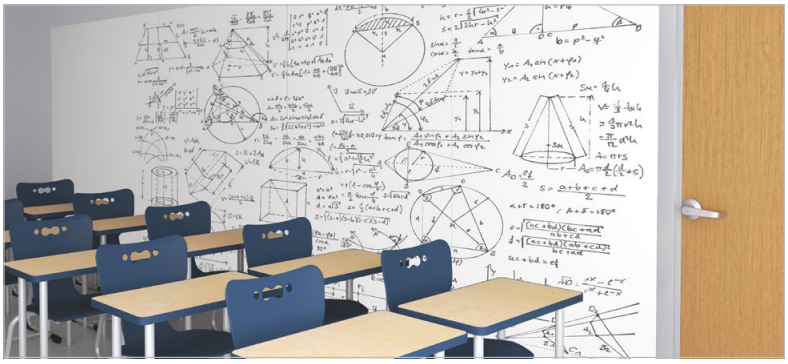

Horizontal Sliding Board

- A better choice Across the Board!® Get the maximum use out of your presentation and instruction space. Horizontal Sliding Boards save wall space and add functional board surface.
- Lightweight core material and precise alignment of the tracks ensure easy operation. Choose from two-, three-, or four-track systems. Panels are 4'H and from 6' to 20'W. Available with porcelain steel markerboard or any tackable surface.
- Framed with heavy gauge anodized aluminum tubing. Map rail and accessory tray included.
- SCS Indoor Advantage Gold Certified.

Sharewall® Porcelain Steel Whiteboard Panel

- Sharewall® transforms ordinary walls into expansive surfaces for creativity, communication, and collaboration.
- Constructed from durable, magnetic porcelain-coated steel, Sharewall provides a smooth dry erase writing surface that resists staining and ghosting, even with frequent use.
- Individual 84"H × 48"W panels can be joined with nearly invisible seams to create continuous writing and projection surfaces.
- The gloss white finish supports enhanced projection clarity with minimized glare, while magnetic functionality makes it easy to display materials.
- SCS Indoor Advantage Gold Certified for healthier indoor air quality and backed by a 50-year limited warranty.
- Professional installation recommended. MOQ three panels.

TACKBOARDS: Natural Cork

Natural Cork Tackboard

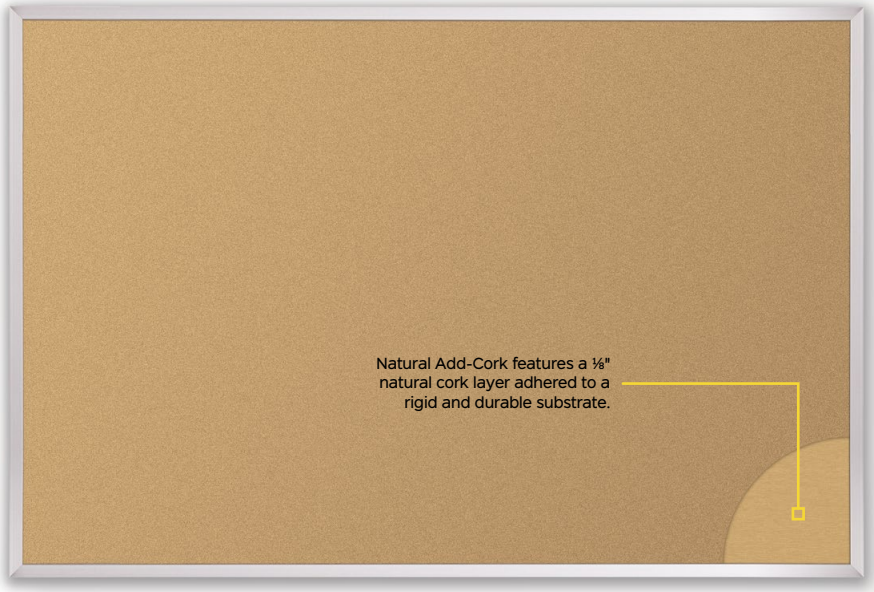

- Natural cork is always a winning choice. Classic unfinished cork adds an organic element to any environment.
- Natural cork tackboards are suitable for any classroom, library, or other space, dampening sound and adding texture as well as display space.
- Natural cork is an environmentally responsible and naturally renewable resource. Cork is harvested from a cork tree, stripped with careful cuts that do not harm the inner core of the tree. The cork bark regrows, and this process allows a useful life of more than 150 years for each tree.
- Choose from three substrate options to fit your requirements or budget:
- **Valu-Tak:** Our most economical and best value surface, Valu-Tak features 1/16" thick cork layer bonded to 7/16" lightweight and tackable substrate material.
- **Natural Add-Cork:** Step up to our select Add-Cork surface, which features a 1/8" thick cork layer bonded to 3/8" thick durable substrate material.
- **Natural Cork-Plate:** Premium Cork-Plate surface is our top of the line option, featuring a full 1/4" thick cork layer bonded to 1/4" thick rigid and moisture-resistant substrate material.
- Anodized aluminum trim has a 7/8" profile with hairline mitered corners. Black aluminum trim available at an upcharge.
- Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Inklüd® Mobile Whiteboard

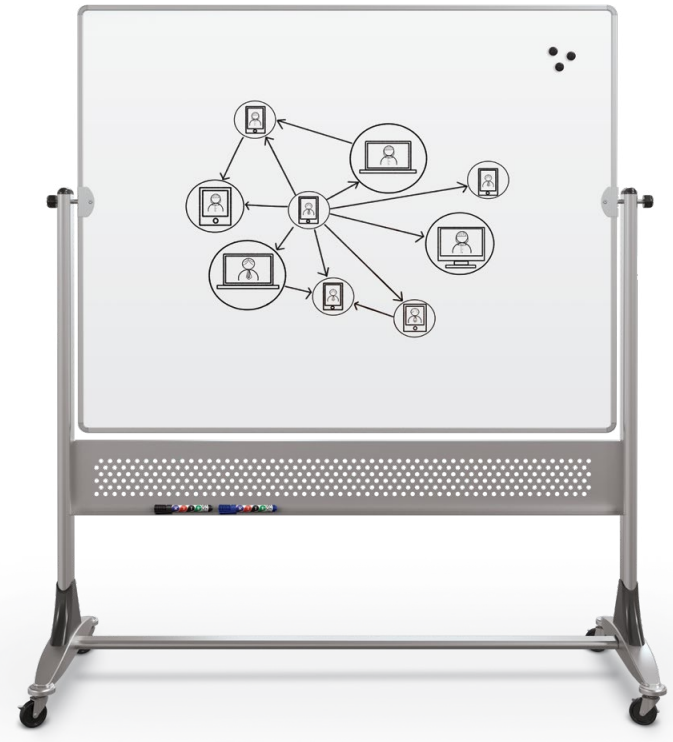

- Get mobile dry erase space, facilitate group learning, and even create private work areas with the Inklüd® Mobile Whiteboard.
- Featuring anodized aluminum trim that coordinates seamlessly with other members of the Inklüd family, the mobile whiteboard comes with a magnetic porcelain steel surface to fit any need or environment, from corporate to classroom.
- Available in three sizes. The 30"W board is a perfect fit for small groups or spaces, the 50"W board is designed as a multitasker with a low surface—just the right fit as a mobile board or space divider, while the larger 72"W board is ideal for larger groups, or for use as a mobile room divider.
- Double-sided dry erase porcelain whiteboard writing surfaces provide optimal performance and durability. The surface on the smaller board measures 46"H × 26"W, 61.5"H × 46"W on the middle, and 46"H × 68"W on the larger. Each includes a handy marker cup that magnetically attaches to the board surface.
- Wide base design provides stability, and heavy duty locking casters give you easy mobility.
- SCS Indoor Advantage Gold Certified.

WALL SYSTEMS & RESURFACING: Porcelain Steel

Porcelain Steel Retro-Finish Panel

- Porcelain Steel Retro-Finish Panels make short work of resurfacing any old chalkboard or markerboard.
- No need to remove the existing board. Simply drill the Retro-Finish panel directly into the old board. Factory framed panels come with pre-drilled holes to make mounting easy.
- Standard gloss porcelain provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.
- Limited lifetime warranty. SCS Indoor Advantage Gold Certified.

WALL SYSTEMS & RESURFACING: Tackboard

Natural Cork Panel

Natural Cork Self-Adhesive Skin

Natural Cork Resurfacing

- Renew or replace any torn or worn board with unframed tackboard panels, available in multiple surface and substrate options to fit any need, any budget, and any environment.
- Natural cork is an environmentally responsible and naturally renewable resource. Cork is harvested from a cork tree, stripped with careful cuts that do not harm the inner core of the tree. The cork bark regrows, and this process allows a useful life of more than 150 years for each tree.
- **Natural Add-Cork Panel:** Our select Add-Cork surface features a ⅛" thick cork layer bonded to ⅜" thick durable substrate material.
- **Natural Cork-Plate Panel:** Premium Cork-Plate surface is our top of the line option, featuring a full ¼" thick cork layer bonded to ¼" thick rigid and moisture-resistant substrate material.
- **Natural Cork Self-Adhesive Skin:** Self-adhesive skins feature a peel-and-stick backing that applies easily to an existing board. Self-stick adhesive is intended for resurfacing on an existing board surface and has not been tested for use on other materials.

Colored Cork Resurfacing

- Renew or replace any torn or worn board with Colored Cork, made with colorful and durable Forbo® linoleum.
- Surface is self-healing and colored throughout to ensure colorfastness and eliminate fading.
- Panels are made with ¼" thick Colored Cork permanently adhered to a ¼" thick layer of rigid substrate.
- Self-adhesive skins feature a peel-and-stick backing that applies easily to an existing board. Self-stick adhesive is intended for resurfacing on an existing board surface and has not been tested for use on other materials.
- Ten year limited warranty. SCS Indoor Advantage Gold Certified.
