

NATURAL CORK PANEL

Tackboard Resurfacing Material

Natural Add-Cork Panels

Natural Cork-Plate Panels

Renew or replace any torn or worn board with natural cork panels and rolls. Natural cork is an environmentally responsible and naturally renewable resource. Cork is harvested from a cork tree, stripped with careful cuts that do not harm the inner core of the tree. The cork bark regrows, and this process allows a useful life of more than 150 years for each tree. Ten year limited warranty. SCS Indoor Advantage Gold Certified. Custom sizes available. Call for details.
