KEY FEATURES

Child-Friendly Tiered Design

Scaled for younger learners, the lower-profile design encourages independent movement, participation, and comfortable seating.

Flexible Modular Configurations

Convertible units can be combined to create reading nooks, gathering circles, play spaces, and collaborative learning zones.

Supportive Comfort

Soft, cushioned seating provides a welcoming place for story time, group activities, quiet learning, and imaginative play.

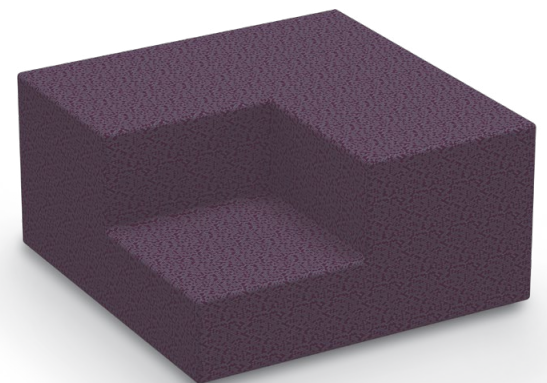

Tailored Upholstery Options

Features refined top-stitched upholstery with fabric options available through our graded-in program or COM with approval.

Durable American Craftsmanship

Manufactured in the USA using commercial-grade materials for long-lasting performance in active classroom environments.

Tiered Seating Designed for Early Learners

Elevate Baby Steps brings the flexibility and comfort of Elevate seating to early learning environments with a child-scaled, lower-profile design. Available as a two-tier straight seat, two-tier inside corner, and two-tier outside corner, with 11" high steps, the collection allows educators to create engaging spaces for story time, group activities, and collaborative learning.

Upholstered with refined top-stitched details and available in graded-in fabrics or COM, Elevate Baby Steps includes nylon glides and is manufactured in the USA from commercial-grade 3/4" plywood and hardwoods. Supports up to 400 lbs. and includes a 12-year limited warranty. Prop 65 and CAL 117-2013 compliant. SCS Indoor Advantage Gold Certified.

Ideal for:

- Preschool and early elementary classrooms
- Early learning centers and childcare environments
- Reading corners and literacy spaces
- Story time and group play areas
- Learning and discovery zones
- Libraries and children's activity spaces
