Coradle™ Activity Station

KEY FEATURES

Kid-Friendly Activity Surface

A generous laminate top creates a convenient space for coloring, reading, games, and hands-on activities.

Integrated Storage Organization

An adjustable shelf accommodates books, toys, supplies, and MooreCo Compass totes to help keep spaces neat and organized.

Durable Laminate Construction

Built from 3/4" laminate for dependable commercial-grade performance in high-use environments.

Easy-to-Clean Design

Smooth laminate surfaces support quick cleaning and low-maintenance upkeep in healthcare settings.

Customizable Finishes

Available in a variety of laminate options to coordinate with pediatric interiors and surrounding Coradle furnishings.

Organized Spaces Designed for Play, Learning, and Care

The Coradle Activity Station is designed to bring organization, accessibility, and kid-friendly functionality to healthcare and wellness environments. Sized specifically for children, the station creates a welcoming hub for activities while helping keep toys, books, and supplies neatly stored and within reach.

The Coradle Activity Station includes a spacious top surface ideal for coloring, games, hands-on activities, or displaying shared materials. An adjustable shelf provides flexible storage options and is designed to accommodate Compass totes.

Fits comfortably into healthcare environments while supporting cleaner, more organized spaces for children, caregivers, and staff. Durable laminate surfaces are easy to clean and maintain, making the station well suited for high-use healthcare settings. SCS Indoor Advantage Gold Certified.

Ideal for:

- Pediatric healthcare environments
- Children's waiting areas
- Clinics and medical offices
- Family lounges
- Activity and play spaces
- Therapy and wellness environments
- Early learning spaces
