Inclusive Comfort Without Compromise

Coradle™ Bariatric Seating delivers inclusive comfort with supportive seating designed for higher-capacity healthcare applications.

Featuring durable healthcare-friendly materials, generously upholstered seating, and an accessible 18" seat height, the collection creates welcoming environments that prioritize both comfort and long-term performance.

A wall saver frame helps reduce facility wear, while coordinating laminate tables create flexible waiting area layouts. Optional urethane arm caps and heat bonded moisture barrier construction provide added durability and easier maintenance. SCS Indoor Advantage Gold Certified.

Ideal for:

- Hospital waiting rooms
- Medical offices
- Outpatient clinics
- Patient care areas
- Family lounges
- Senior living
- Behavioral healthcare
