KEY FEATURES

Family-Centered Design

Integrates one adult chair with a children's loveseat to keep caregivers and young patients comfortably together.

Comfort for Every Age

Adult and children's seating are individually scaled to provide ergonomic comfort for both users.

Left- or Right-Hand Configurations

Available in either orientation to accommodate a variety of room layouts.

Wall Saver Frame Construction

Curved back frames help protect facility walls from everyday scuffs and damage.

Designed for Healthcare

Healthcare-friendly materials support easy cleaning, long-lasting durability, and dependable performance.

Keeping Families Comfortably Together

The Coradle™ Embrace Seat is a unique family-centered seating solution that combines one full-size adult chair with an integrated children's loveseat, allowing caregivers and young patients to remain comfortably together.

Built with the same durable construction as the Coradle Adult and Kids collections, the Embrace Seat features supportive upholstered seating, a wall saver frame design, and healthcare-friendly materials designed for lasting performance.

Available in left- or right-hand orientations with optional heat bonded moisture barrier construction. SCS Indoor Advantage Gold Certified.

Ideal for:
