

Coradle™ Embrace Seat

Part Number(s):
COCMLH-X-XX-XXXX-XXXX,
COCMRH-X-XX-XXXX-XXXX

OVERVIEW:

Coradle™ is a complete pediatric healthcare furniture system featuring adult- and child-scaled guest seating, modular tables, activity pieces, upholstered dividers, floor pads, and companion seating. Soft, rounded forms, healthcare-grade upholstery, cleanable surfaces, and flexible configurations support pediatric waiting rooms, family lounges, and clinical spaces.

FRAME CONSTRUCTION:

All frames are 1" Diameter x 14 gauge steel tubing with 11 gauge steel gussets under each seat. Frames are fully welded and come with a powdercoated platinum finish. Embrace combo units feature 11 gauge steel side brackets for ganging units together.

SEAT CUSHION CONSTRUCTION:

Seat cushions are upholstered and are 3" thick, with a plywood substrate covered in premium urethane foam for enhanced comfort.

BACK REST CONSTRUCTION:

Back rest cushions are upholstered and are made from a plywood substrate covered in premium urethane foam, providing further comfort and support.

GLIDES:

All Coradle chairs and benches feature 1" diameter black nylon ball glides.

ARM REST CONSTRUCTION:

Same as the frames, the arm rest tubes are 1" Diameter x 14 gauge steel tubing. The arm rest pads attached to each arm tube are made from ergonomically molded high density foam.

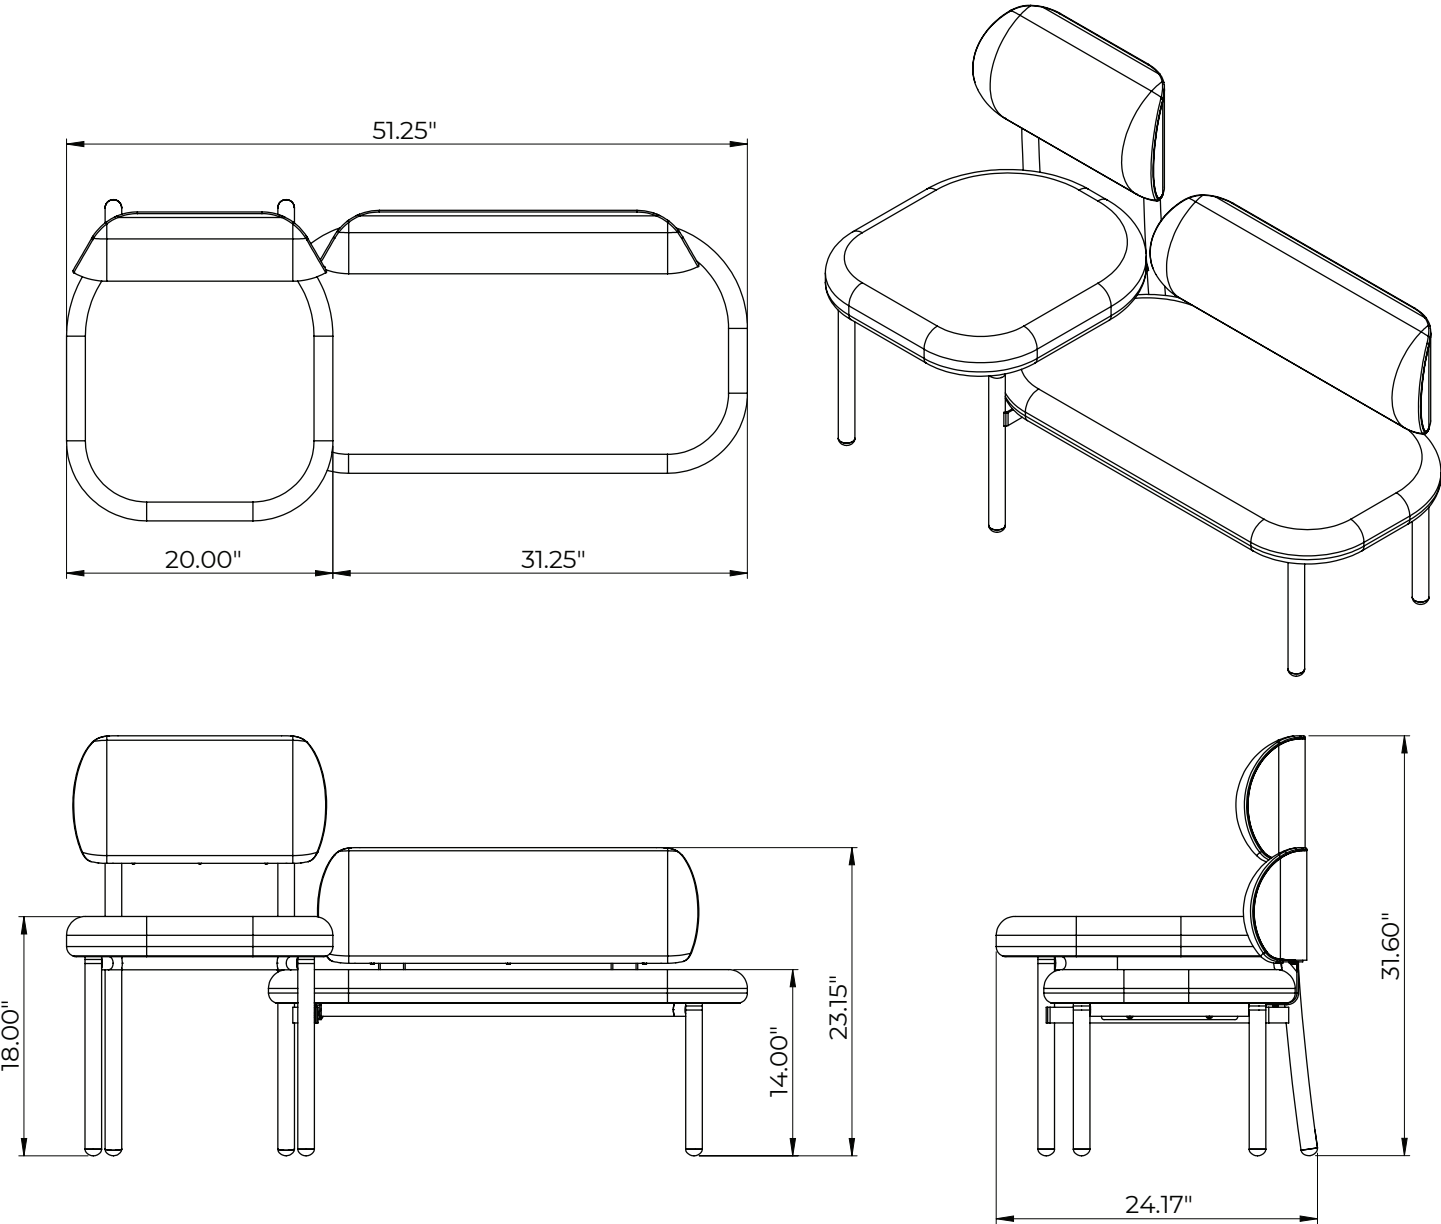

COMPLIANCE:

SCS Global Services Indoor Advantage Gold Certified.
