Coradle™ Floor Pad

KEY FEATURES

Soft Cushioned Play Surface

Constructed with 2" thick dense foam to provide comfortable support for floor-level activities and play.

Nature-Inspired Design

Available in solid styles or sculptural Hills, Waves, and Dunes designs that add movement and visual interest.

Created for Healthcare Spaces

Healthcare-friendly fabrics support easy cleaning, durability, and low-maintenance performance.

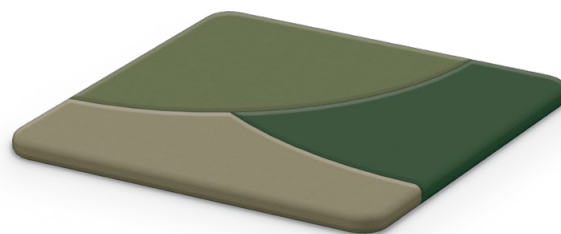

Flexible Color and Finish Options

Available in curated standard colorways or customizable upholstery combinations to suit a variety of interiors.

Coordinates with Room Dividers

Pairs seamlessly with Coradle Room Divider panels to create softly defined, easily monitored play and activity zones.

Soft, Comfortable Spaces for Play and Exploration

The Coradle Floor Pad creates soft, comfortable play spaces for children in healthcare and wellness environments.

Measuring 36" or 48" and constructed with 2" thick dense foam, the pad provides cushioned support for floor-level activities while helping spaces feel warmer and more welcoming.

Available in solid styles or playful Hills, Coradle Floor Pads add visual interest, color, and flexibility to pediatric interiors. Healthcare-friendly fabrics support easy maintenance and durability, while customizable upholstery options allow for coordinated design throughout the space.

Designed to pair with Coradle Room Dividers, the Floor Pad helps create calm, easily supervised play areas for children and families. SCS Indoor Advantage Gold Certified.

Ideal for:

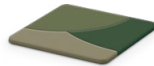

- Pediatric healthcare environments
- Children's waiting areas
- Clinics and medical offices
- Family lounges
- Behavioral healthcare settings
- Therapy and wellness spaces
- Flexible activity and play areas
