Coradle™ Room Divider

KEY FEATURES

Divides and Maintains Sightlines

Creates subtle separation and added privacy while preserving open sightlines for communication and connection.

Soft Upholstered Design

Rounded forms and upholstered surfaces help reduce the institutional feel of healthcare interiors.

Flexible Configuration Options

Available in multiple heights and widths with single- and double-arch designs to support a variety of layouts and applications.

Easy to Move and Reconfigure

Lightweight construction allows spaces to adapt quickly to changing needs and traffic patterns.

Creates Flexible Kids Zones

Works alongside Coradle seating and floor pads to create calm, easily monitored activity and play spaces.

Soft Division for Calm, Connected Spaces

The Coradle Room Divider helps create calm, organized healthcare spaces through soft visual separation and flexible space definition. Featuring upholstered single- and double-arch designs, the divider creates privacy and reduces distraction while maintaining open sightlines for supervision and connection.

Available in multiple sizes and configurations, Coradle Room Dividers are lightweight and easy to reposition for adaptable layouts throughout waiting rooms, pediatric environments, and shared spaces.

The soft curved forms coordinate seamlessly with the Coradle collection and pair especially well with seating and floor pads to create comfortable, easily monitored play and activity areas. Available in healthcare-friendly fabrics for easy maintenance and long-term durability. SCS Indoor Advantage Gold Certified.

Ideal for:

- Healthcare waiting areas
- Pediatric healthcare environments
- Behavioral healthcare spaces
- Activity and play areas
- Flexible shared-use environments
