

Coradle™ Sensory Kneeling Pad

Part Number(s):
COKP-RD60-SX

OVERVIEW:

Coradle™ is a complete pediatric healthcare furniture system featuring adult- and child-scaled guest seating, modular tables, activity pieces, upholstered dividers, floor pads, and companion seating. Soft, rounded forms, healthcare-grade upholstery, cleanable surfaces, and flexible configurations support pediatric waiting rooms, family lounges, and clinical spaces.

DESIGN:

The Coradle Sensory Kneeling Pad is designed to be used in conjunction with the Coradle Sensory Kneeling Table and/or the Coradle Common Kneeling Table. The assembled 60" ring perfectly fits around the 18" column on each table type.

CONSTRUCTION:

Kneeling pads are 2" thick, filled with premium urethane foam for enhanced comfort, and are upholstered with durable graded fabric. The set of 2 pads gang together via the opposite facing hook-and-loop flaps. Concealed zipper enables the pad fabric covers to be removed and cleaned as needed.

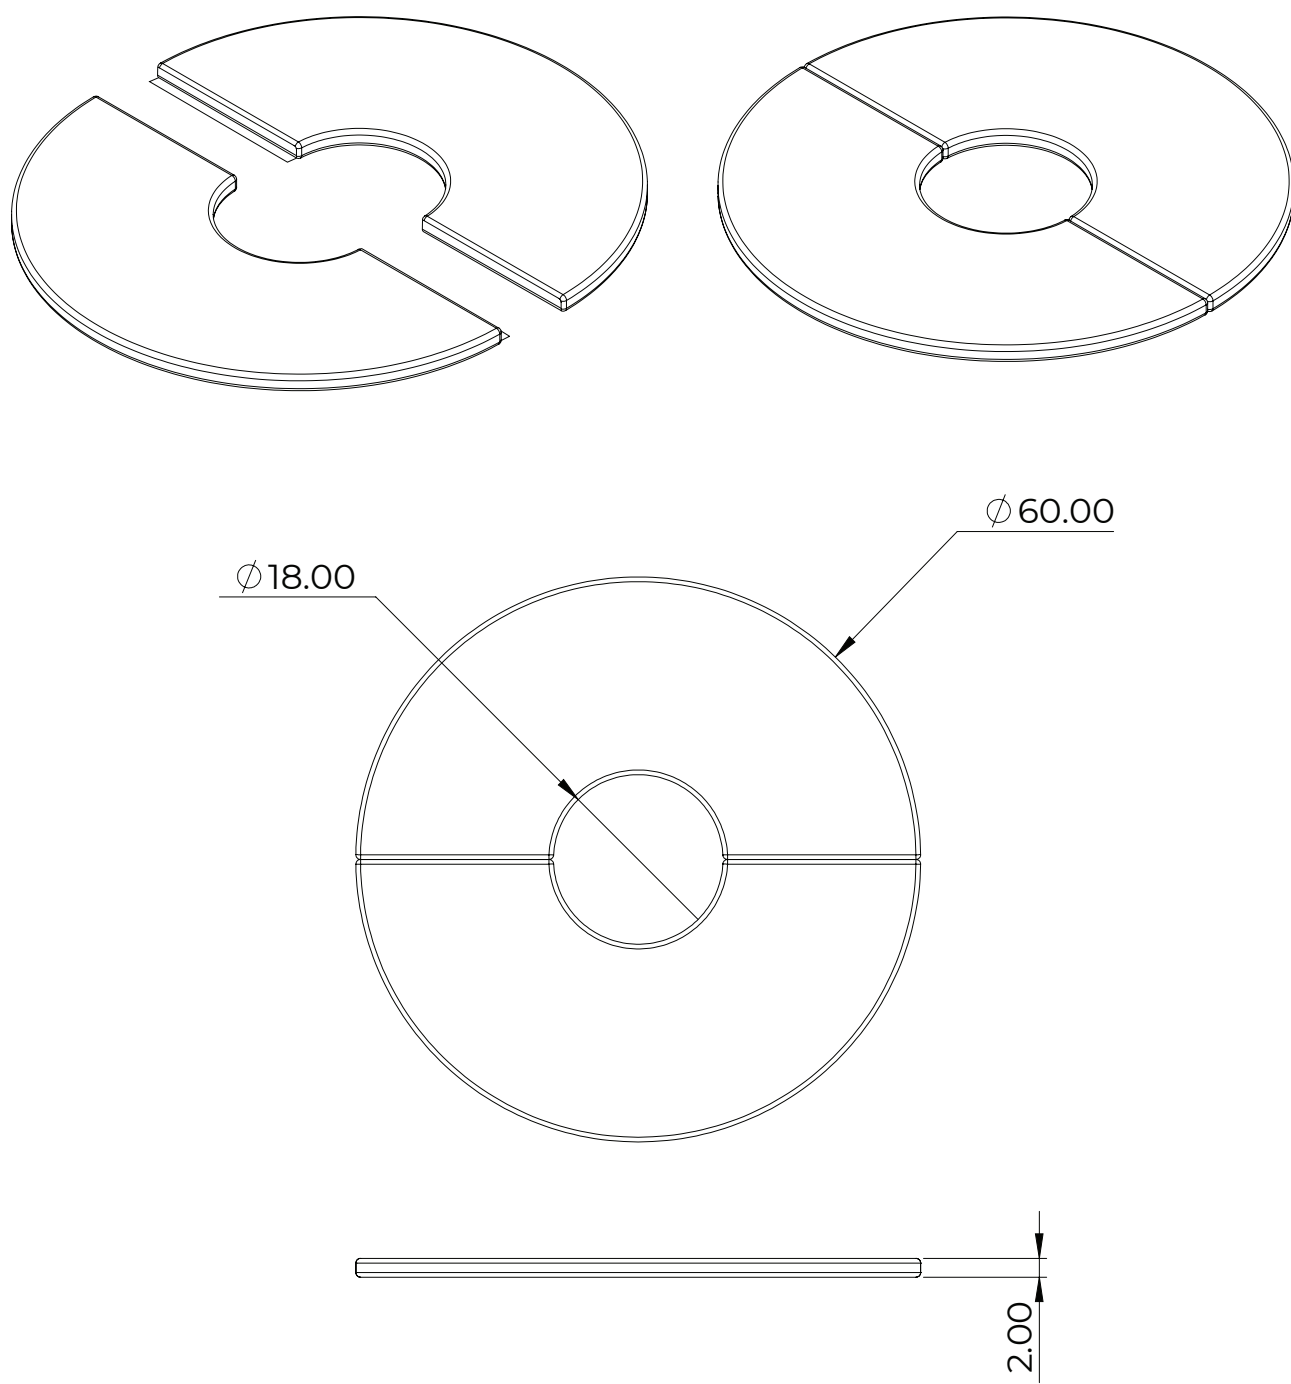

COMPLIANCE:

SCS Global Services Indoor Advantage Gold Certified.
