KEY FEATURES

Designed for Healthcare Spaces

Designed to complement Coradle seating with matching curves, materials, and care-focused styling.

Soft, Rounded Design Language

Rounded corners and curved forms help create calming environments that feel warm and approachable.

Durable, Easy-to-Clean Surfaces

A laminate top and healthcare-friendly upholstery support low-maintenance performance in high-use spaces.

Blends Comfort with Durability

The upholstered base softens the overall aesthetic while maintaining dependable commercial-grade construction.

Floor-Friendly Stability

Integrated ball glides help provide stable support while protecting flooring surfaces.

A Softer Touch to Healthcare Spaces

The Coradle™ Side Table is designed to bring functional convenience and soft residential styling to healthcare environments. Coordinating seamlessly with the Coradle Seating collection, the table features a durable 3/4" laminate top, an upholstered base, and gently rounded corners that echo the calming curves found throughout the Coradle family.

The table provides a practical surface for personal items, devices, and shared-use accessories in waiting areas, patient rooms, and lounges. Integrated 1/2" ball glides provide stable support while helping protect floors. Available in a variety of laminates and healthcare-friendly fabrics, the Coradle Side Table is designed for easy cleaning, low maintenance, and lasting durability. SCS Indoor Advantage Gold Certified.

Ideal for:

- Healthcare waiting areas
- Patient rooms
- Family lounges
- Clinics and medical offices
- Behavioral healthcare environments
- Senior living spaces
