KEY FEATURES

Three-in-One Integrated Design

Three connected poufs in varying heights and sizes create a dynamic seating experience within a single cohesive piece.

Comfortable, Playful Seating

Soft cushioning and rounded forms create an inviting atmosphere that encourages relaxation and interaction.

Built for Commercial Durability

Constructed in the USA from commercial-grade plywood and hardwoods for dependable long-term performance.

Refined Upholstered Details

Top-stitched accents add a polished, elevated aesthetic suited for modern healthcare interiors.

Healthcare-Friendly Performance

Available in healthcare-friendly fabrics designed to support easier cleaning and maintenance in high-use spaces.

Playful Comfort Designed for Caring Spaces

The Coradle™ Trio Pouf combines playful design with healthcare-focused durability in a unique three-in-one seating solution. Featuring three connected round poufs in varying heights and diameters, Trio creates a welcoming, sculptural seating element that encourages casual interaction and relaxed comfort.

Built in the USA from commercial-grade $\frac{3}{4}$ " plywood and hardwoods, the Trio Pouf is designed for long-lasting performance in high-traffic environments. Plush cushioning, refined top-stitched detailing, and healthcare-friendly upholstery options help create warm, comfortable spaces throughout healthcare interiors. Integrated $\frac{1}{2}$ " ball glides provide stable support while helping protect floors. SCS Indoor Advantage Gold Certified..

Ideal for:

- Healthcare waiting areas
- Pediatric healthcare spaces
- Collaborative lounges
- Patient family areas
- Behavioral healthcare environments
- Wellness and community spaces
- Hospitality-inspired healthcare interiors
