

Coradle™ Wobble Stool

Part Number(s):
COWBL-XXXX-XXXX

OVERVIEW:

Coradle™ is a complete pediatric healthcare furniture system featuring adult- and child-scaled guest seating, modular tables, activity pieces, upholstered dividers, floor pads, and companion seating. Soft, rounded forms, healthcare-grade upholstery, cleanable surfaces, and flexible configurations support pediatric waiting rooms, family lounges, and clinical spaces.

DESIGN:

Active seating stool with rocking base for controlled movement. Suitable for classrooms, therapy, pediatric healthcare, and flexible learning environments.

CONSTRUCTION:

Seat - Upholstered ergonomic molded high density urethane foam, covered with graded fabric.

Grip - Contoured plastic grip

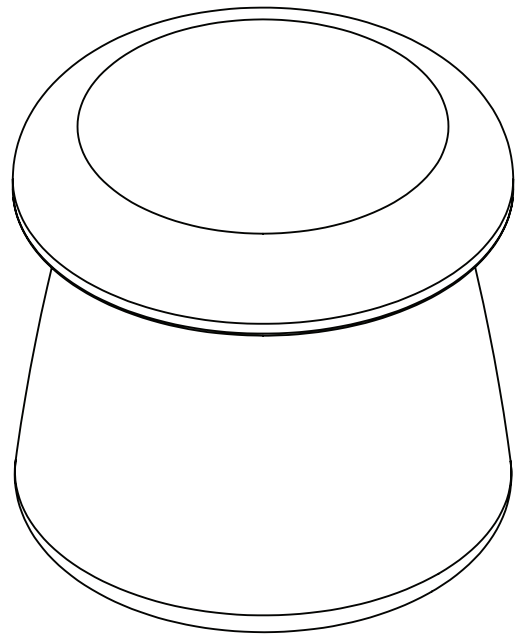

Core - Commercial grade plywood and hardwood

Base - Nylon domed wobble base

COMPLIANCE:

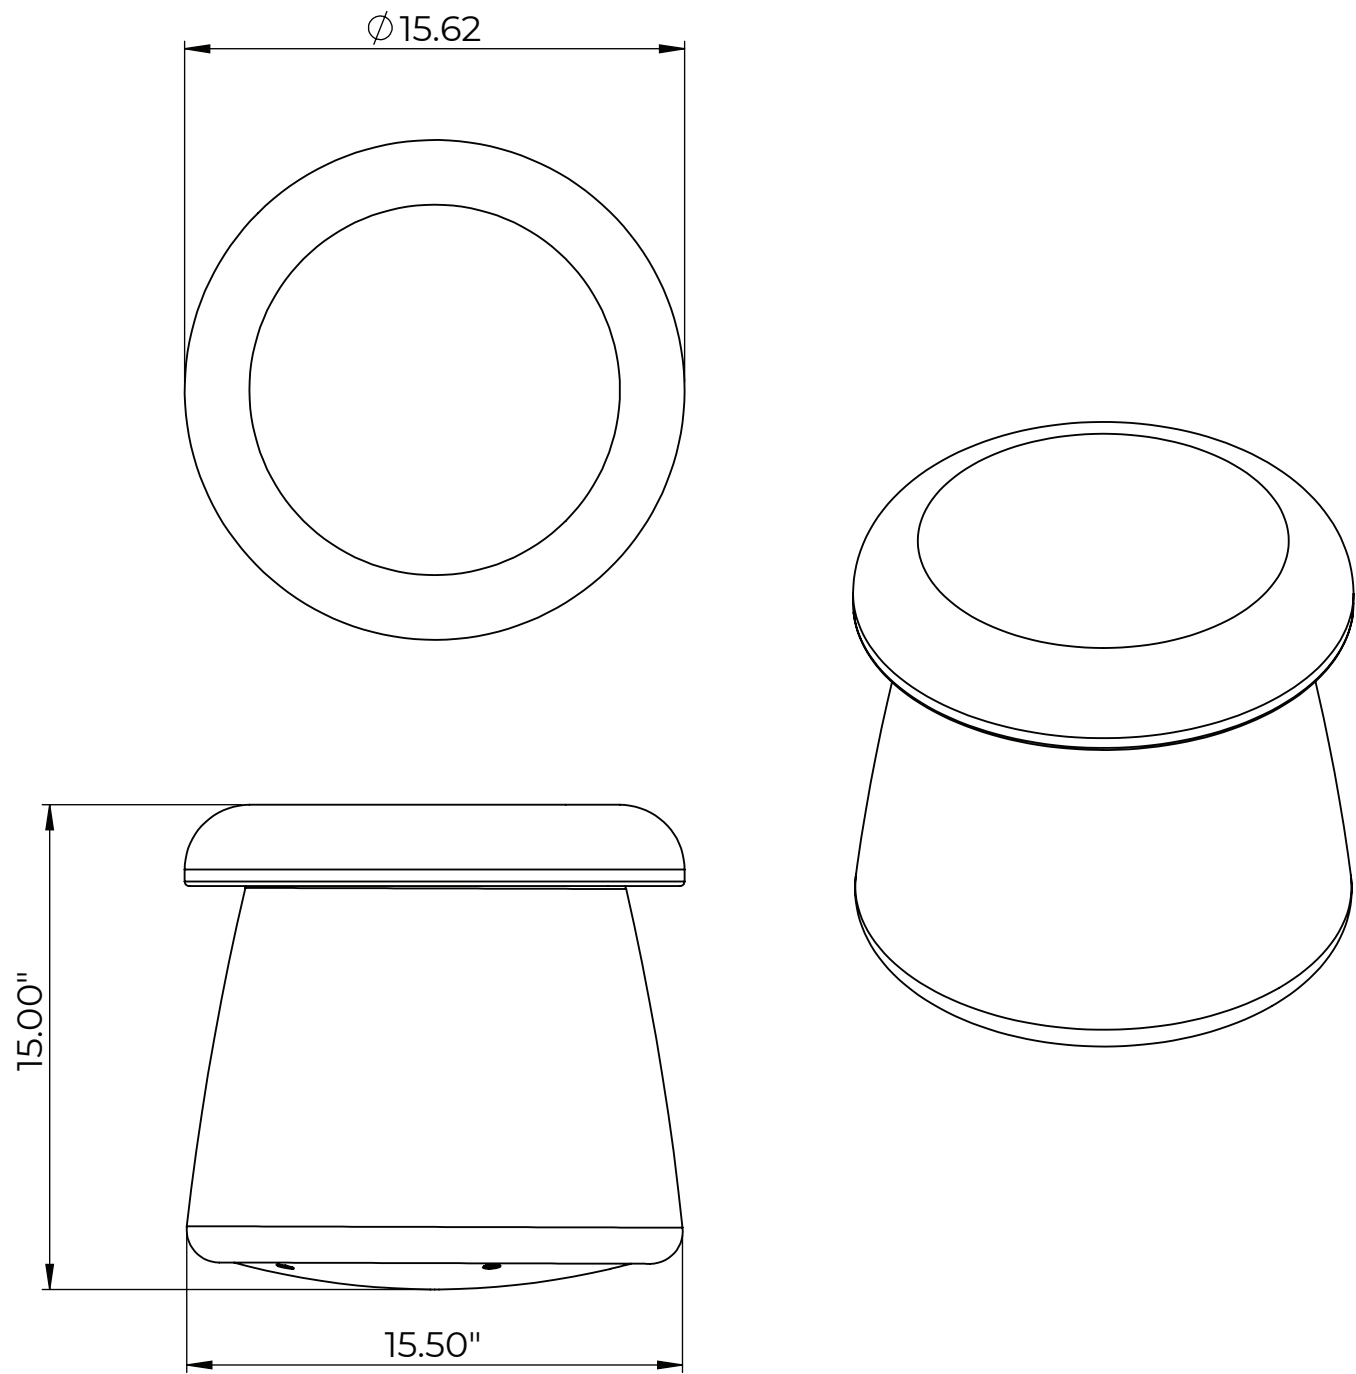

SCS Global Services Indoor Advantage Gold Certified.

NOTE: For information on foam/fabric density ratings, fire ratings or clean air ratings, contact our TN/Compliance Team for details.
