Comfort Scaled for Young Patients

Coradle™ Kids Seating creates welcoming pediatric healthcare environments with seating designed specifically for younger users. Featuring durable healthcare-friendly materials, comfortable upholstery, and child-scaled proportions, the collection supports comfort while standing up to everyday use.

Each chair features a 2-½" upholstered seat, supportive 4" back, and 14" seat height for an ergonomic fit. The collection includes children's chairs, modular seating with removable backs, and companion seating that keeps caregivers comfortably connected with young patients. Coordinating laminate tables create inviting spaces for activities and interaction, while a wall saver frame helps reduce facility wear.

Optional heat bonded moisture barrier construction supports easier cleaning in demanding healthcare environments. SCS Indoor Advantage Gold Certified.

Ideal for:

- Pediatric waiting rooms
