Sharewall®

Porcelain Steel Whiteboard Panel

KEY FEATURES

Wall-to-Wall Collaboration

Transform large wall areas into expansive writing and projection surfaces that encourage brainstorming and group collaboration.

Durable Porcelain Steel Surface

Magnetic, porcelain steel provides exceptional durability and long-lasting dry erase performance, without staining or ghosting.

Flexible Installation Options

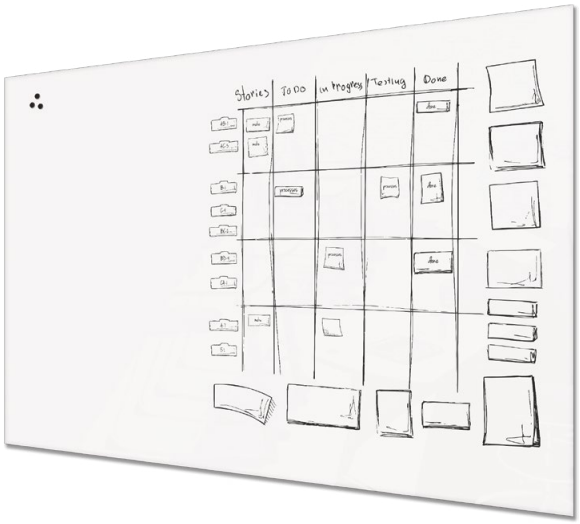

Adaptable material can also be installed on curved walls, pillars, and a variety of mounting surfaces to maximize usable space.

Writing, Display & Projection

The surface supports smooth dry erase writing, magnetic display, and enhanced projection clarity with minimized glare.

Built for Long-Term Performance

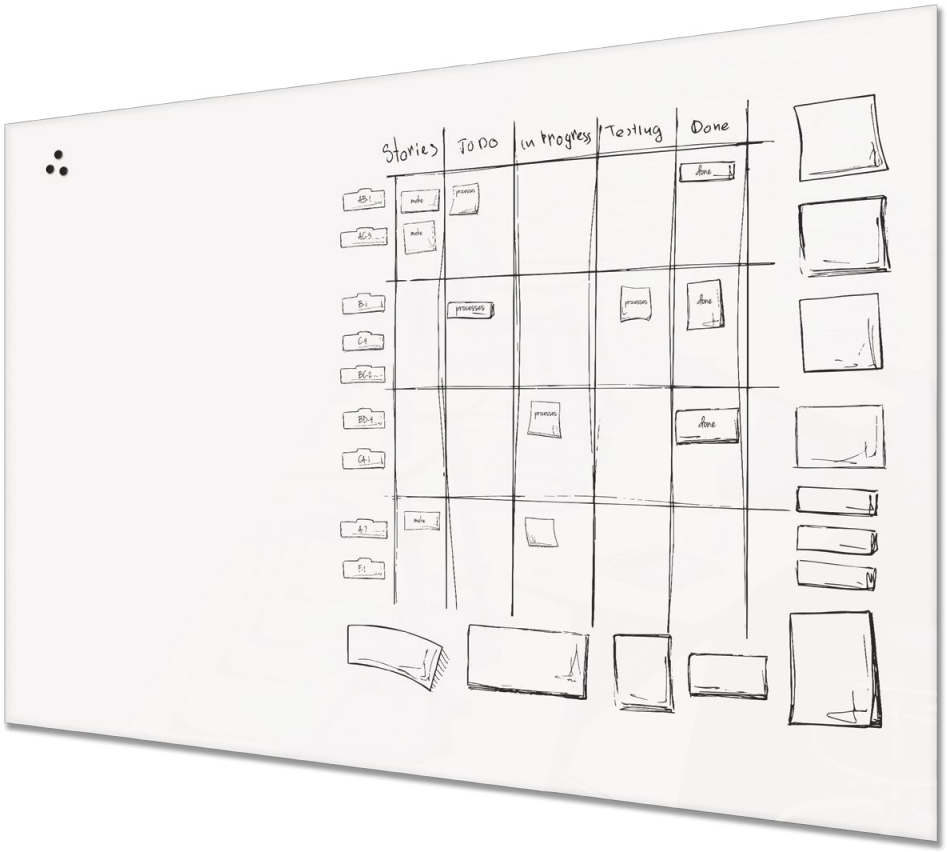

Backed by a 50-year limited warranty, Sharewall provides a dependable, low-maintenance communication surface.

MOORECO®

www.moorecoinc.com

Create. Communicate. Collaborate.

Turn ordinary walls into extraordinary opportunities for collaboration with Sharewall®. Designed to transform large wall areas into seamless, interactive workspaces, Sharewall provides the freedom to share ideas, visualize concepts, and bring creative thinking to life. From classrooms and collaborative learning environments to conference rooms and shared workspaces, Sharewall makes every inch of wall space an opportunity to connect.

Engineered from durable, magnetic porcelain-coated steel, Sharewall delivers a smooth, long-lasting writing surface that erases cleanly, even with frequent use. Unlike traditional dry erase paints and films, its resilient construction resists staining and ghosting while providing a reliable surface for writing, displaying materials, and projection. Individual panels can be installed side by side with nearly invisible seams, creating expansive writing surfaces tailored to your space.

With flexible mounting configurations, Sharewall adapts to a wide variety of environments, including curved walls and pillars. Its gloss white finish supports clear projection with minimized glare, while SCS Indoor Advantage Gold Certification contributes to healthier indoor environments. Backed by a 50-year limited warranty, Sharewall offers lasting performance for spaces where ideas are always in motion.

Ideal for:

- K–12 classrooms and STEAM learning spaces
- Higher education classrooms and lecture halls
- Conference and training rooms, meeting spaces and offices
- Libraries and media centers
